# Foreword

In 1969, a predominantly white Patrick Henry High School and a black John M. Gandy High School were consolidated under a court-ordered desegregation plan. Now there was Patrick Henry High School and John M. Gandy Elementary School.

Amazingly enough, the majority of the students made the transition without resorting to violence or any physical means to voice their protests. At first most people were surprised, then pleased to realize that a black and white merger could be successful. It was happening at Patrick Henry Senior High School.

Still there was a feeling of uncertainty, something was wrong. The 1970-71 school year came as an awakening to all concerned with Patrick Henry. During the S.C.A. election speeches, a walkout was staged by the black students to protest the white write-in candidate. Perhaps Patrick Henry's and John M. Gandy's consolidation was not such a success after all.

Now in 1971-72 we have come to realize that integration doesn't automatically mean unity. To achieve unity, takes students, faculty and the administration all working and learning together. The purpose of the 72 Voice then, is not to show that we are unified but to show how we are working toward that goal.

## Faculty

The faculty here at Patrick Henry has a difficult job. They must teach all types of students of different races and with varying backgrounds and abilities. They have to get to know their students and adjust their curriculum accordingly. To do this requires total cooperation among teachers and a mutual understanding between faculty and student body.

The job became more difficult after the death of Mrs. Lancaster, whose years of experience had made her invaluable as a friend and teacher. Two other vacancies were created when, after Christmas, Mrs. Cheryl Andrews and Mrs. Virginia Martin resigned. Both of these teachers had much to give: Mrs. Andrews, her creativity and novel approach to education; Mrs. Martin her many years of experience and lively personality.

# Office Staff Works Together

It is never unusual to see Mr. Turner at school taking care of unfinished business early in the morning or late at night. He has been faced with many problems during his administration. He has filled this position to the best of his ability and has experienced both success and failure.

In these times of revolution and change, many feel that the office of principal should be filled by a more liberal man. Others are satisfied with his work and see no reason for change. This school year, more than any other, has proven that both the man and his position are quite controversial.

ALFRED W. TURNER, JR. - B.S., VIP, M.Ed.,  
University of Virginia.

Tenney

Mrs. Bumpas had the job of taking care of the financial business of all the clubs and the school. Helping Mrs. Bumpass is Mrs. Harris who spends most of her time at the typewriter and signing notes for strayed students. When you are faced with a problem no teacher can help solve, your first impulse is to go ask the secretaries. They are always willing to stop their work to help a student. Even after school they are in the office tired and still busy at work.

R. WATSON DURHAM — A.B., William and Mary.

Tenney

Mr. R. Watson Durham, Assistant Principal, begins his day meeting with Mr. Turner and students of various interests. His understanding nature and desire to keep our school united have served as a link between students and himself. Mr. Durham and Mr. Turner have worked together, each complementing the other, striving for the best for all. These attitudes have left a promising hope, that our students will leave here with a deep feeling of unity and working together.

The Guidance Department is kept busy year round helping students. The new counselor, Mr. Stone, has helped the sophomores feel more at home at their new school. When juniors need help Mrs. Campbell is always there. Mrs. West with diligence and stern manner has helped many of the seniors reach their goal.

# Varying Departments

Along with the task of teaching Health and Physical Education, Mr. Ritchie and Miss Dowdy also take on other duties. Besides being coaches, they teach drivers education in the classroom and behind the wheel.

The Science Department is one that offers a varied degree of study for its students. One may choose only to take the basic subjects and not continue his studies any further. But a student who wishes to advance has the advantage of the knowledge and the interest shown by the teachers of this department.

The Audio-Visual Department now offers a program that allows students to use the audio-visual aids. A listening station and curriculum-oriented tapes are available in the library. Although teachers are using more aids, Mr. Cobb would like to see more student participation.

The library continues to perform its duties. Miss Gibbon and Mrs. Crenshaw are always cheerful and quick to recognize students. Students and teachers alike find Miss Gibbon invaluable as she is always willing to stop her work to find information for them.

The task of teaching math rests on the shoulders of four women. Despite their heavy work load these teachers are always willing to help students during or after class. An extra-curricular activity of the department is the sending of students to the regional math contest at V.C.U.

Mrs. Wright, the sole member of the Art Department, has been kept busy pulling for our school publications and other activities. Although hard pressed at times, she always manages to be gracious and alert. She has found time, despite her busy schedule, to keep up her private art work which has been displayed in Fairfax, Hanover, and Prince William County art shows.

The Social Studies Department is a vital part of a student's knowledge of the nation and world. The government classes learned about State government and the county court system on trips to the General Assembly and Hanover Courthouse. The 20th Century history class explored in depth the history of this century. The department is not just history, economics and sociology are also taught.

The English department has an essential role in the curriculum. This year two new classes were started in Speech and Drama. Both of the courses increased the students' confidence and enabled them to express their ideas more clearly.

The teachers are young, many are outspoken, and all are willing to experiment with varied and modern teaching methods.

This year two new music teachers came to Patrick Henry. Mrs. Peaks, the chorus instructor and Mr. Littlejohn, the band director. They have combined their talents and hard work in producing a fine and growing Music Department.

The Business and DE departments work hand in hand preparing students for their future role as business leaders.

Typing, shorthand, accounting and bookkeeping are just a few of the courses offered by these departments.

Mr. Beck and Mrs. Presley's true concern for their students was proven through their aid in finding many part time jobs for them.

## Vo. Ag. and Mechanical Drawing

MR. BOWMAN  
Virginia Tech.

Whenever a desk needed repairing or a podium built, the Vo. Ag. Department was the place to go. Besides helping out around school, the guys taking a subject under this department made projects of their own. A tractor driving contest was held in the spring.

Mechanical drawing is a 2 year course of drawing plans and blue prints of houses, office buildings and bridges. This class serves as an excellent preparation course for those who plan to go into architecture.

Spanish Club

Three foreign languages, Latin, French, and Spanish are offered here. The Latin classes center on the reading of Latin, while the French and Spanish classes concentrate on the conversational learning.

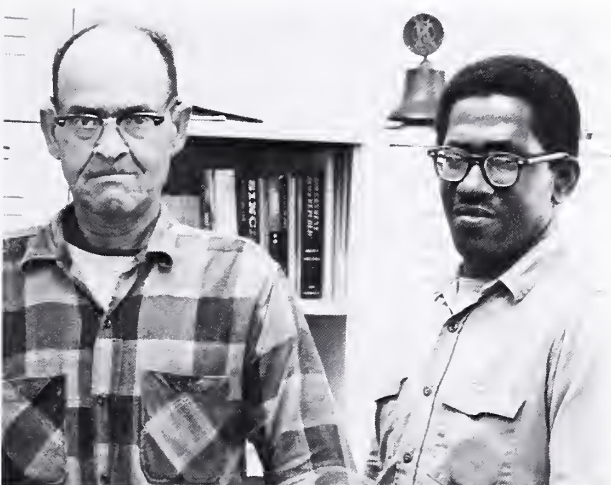

Mrs. Cross and Mrs. Christian have the important job of teaching home economics. They help prepare the girls for their life ahead as future homemakers. Each girl is allowed to work at her own speed, thus receiving the most from the course.

Mrs. Doggett, Mrs. Goodwin, Mrs. Lane, Mrs. Harman, Mrs. Mills, Mrs. Fetty

Mr. Clark, Mr. Dabney

Necessary to every school are the staffs which care for the school grounds, prepare lunches and provide transportation for the students.

The maintenance and cafeteria staffs never receive the praise they deserve. Though their performance is criticized by all and rarely appreciated, they continue to work, using the resources provided them.

Transportation to and from school for many students is made possible by our bus drivers. Driving in a chaotic atmosphere with the responsibility of all the students is not an easy job.

Though these staffs are unduly criticized and rarely praised, they are a necessary part of our school.

Mr. Wallows, Mrs. Purkins, Mrs. Carley, Mrs. Tignor, Mrs. Chambers, Mrs. Brice, Mrs. Brown

From 9 to 3 we go to school. But it doesn't end at 3 o'clock. Many hours are spent in studying, cramming and research.

Here, we Seniors, Juniors and Sophomores join together in the ever present atmosphere of scholastic competition, striving for that perfection within ourselves.

# Beta

Early in the year the Beta Club needed money, thus on the night of Homecoming they took over the Key Club concession stand in order to raise funds. The money raised was used to pay for registration fees at the Beta Convention which several members attended in the Spring.

As a service project the club collected food and clothing for a needy family in order to provide them with a happier Christmas. The last project of the club was the planting of a dogwood tree beside the auditorium in honor and memory of the late Mrs. Mary Lancaster.

This year a group of students, interested in preserving our national environment, formed the Ecology Club. The members worked closely with other "Nature Lovers" in the Richmond area.

Their main project was the purchase of a paper bin which was placed in Ashland.

The Hi-Y-Tri-Hi-Y, a national Christian organization, is very influential in promoting togetherness and brotherhood here at Patrick Henry. Besides giving some morning devotions and cleaning up the gym before every home basketball game, the group also attends different churches in the Ashland area once every month. This year the club also joined in a clean-up campaign with several other youth groups in Ashland.

This year, as every year, the club submitted a bill to the Model General Assembly sponsored by the Y.M.C.A. The bill was chosen to be presented and the club sent three members, Debbie Tate, Paul Harris, and Brenda Baker, to defend it at the M.G.A. David Deford, who was responsible for drawing up and submitting the bill, also worked with the representatives in planning a defense of the bill.

# The Spanish Honor Society

The Spanish Honor Society was active this year in sponsoring "Una Velada Musical," which was a fiesta of games, songs and dances. Bullfighting and breaking the Piñata were favorites among the games. Songs such as "La Paloma" and "El Burro" were sung. It was a fiesta estupenda!

This year the club held a formal dinner to honor the new members tapped into the club. The menu consisted of Spanish dishes prepared by the club members.

Kay Pumphrey's opportunity to attend the National Honor Leadership Training Conference in Arkansas attributed to the club's projects and interest. She brought back new ideas for an excellent program presented to honor the newly inducted members.

The National Honor Society in conjunction with the Beta Club purchased a small dogwood tree which they planted in honor of the late Mrs. Lancaster.

## Key Club

Several engagements in which the Key Club participated were running the concession stand for all home football games, collecting money for the Heart Fund, and presenting their annual Christmas concert. Admission to the concert was one can of food or 25¢. All proceeds were donated to the Hanover Christmas Mother.

Presiding over a Kiwanis Club meeting in the spring required preparation from each member. Such topics as drugs, environment and race relations were discussed at the meeting by Key Club members.

Due to an inexperienced staff, the *Voice* faced several production problems this year. The staff had to go very slowly, rechecking everything. The result was missed deadlines and a very late publication.

Much has been learned by those mistakes. Next year is expected to be much better with a more qualified staff.

The chorus performed at various churches in the Hanover area throughout the school year. They were represented at All Regional Chorus by six of its members. Donald Anderson was elected to go as alternate to All State Chorus.

Maintaining the bulletin board in the library and decorating a float for Homecoming served as their main projects.

The Drama Club had great hopes and dreams this year but were not able to accomplish all of them.

The plays they did produce were *Some of My Best Friends*, a one act play performed for the Spring Festival, and *Twelve Angry Men*. The latter play was presented in the form of the "reading theater."

The club attempted to put on *Glass Menagerie* and *Raisin in the Sun*, but were unable to do so because of lack of interest.

Shelby, what are you doing??

Keep busy and you'll stay out of mischief. One look at the Art Club and you would think that was their motto.

An Art show at Azalea Mall and an Art Festival held at Henry Clay Shopping Center were not enough to keep the members busy. The members were able to display their works for sale while others demonstrated their drawing abilities at the Art Festival.

The Ashland Christmas Parade gave the members an excellent chance to show their creativity in decorating one of the floats.

Ruben Pryor and Melvinia Patterson because of their musical ability were chosen to go with the Va. State College Symphonic Band on a two week tour of Europe.

Aside from being host for all the home football games, the band participated in the Ashland Christmas Parade and George Washington Festival Parade in Fredericksburg.

The Patrick Henry Majorettes were on the move this season. Adding color and beauty to the band, they marched a whirlin' and a twirlin'.

From parades to pep rallies, they marched onward, their arms weakening but did they stop? Oh no.

With a smile on the face and a baton in hand, they marched onto the field with style and grace. They helped to add not only pep to the band but also enjoyment to the spectators during football games.

While feature twirler, Debbie Tate, took the spotlight with a skill none could match, the majorette squad showed an excellent style all their own. They performed at their best.

This year the Pep Club was one of the most active clubs at Patrick Henry. With Appreciation Days for all Varsity sports, there were streamers and posters galore. With the sweaters, the School Spirit Chain, for the Lee Davis — Patrick Henry basketball game, the club was going places.

The Mr. Patrick Henry Contest, the highlight of the Pep Club's year, was held March 3, with Debbie Tate as M.C. The judges chose Ricky Ivey, the lucky, beautiful winner. Robbie Banton was 1st runner-up; David Empey, 2nd runner-up.

Wright

The Easter Egg hunt is off to a good start, wouldn't you say Mary?

The Red Cross was probably the most active club at P.H. this year even though it's only the first year of serving here. Much of the success was due to Mrs. Purks enthusiasm.

The following were the major projects of the year: The first major school project was filling fifty Christmas stockings for the veterans at McGuire's Hospital, a Christmas Party was held at MCV's Pediatric's Ward. The children received hand-made stuffed animals, favors, and coloring books. A Heart Fund Drive was held in which seventy-four dollars was collected.

On April 1st an Easter Egg Hunt and Farm Tour for thirty underprivileged children from the Church Hill area was held at Mary Stanley's farm. Members also helped publish *Junior Journal*, the Red Cross's coloring book. The pictures were drawn by kids in hospitals and put together in a book.

As a long range project, the Vocational classes are making a huge chest which will be filled with practical items for a class of students during a disaster.

This year the FTA was composed of Juniors and Seniors due to a lack of participation from the sophomores.

Activities of the club included several bake sales and a teacher appreciation day. A highlight of the year was a club trip to the University of Virginia. The club also gave a small scholarship to one of its outstanding members. Nancy Dempsey was the recipient this year.

How about some punch, Mrs. Andrews?

## Activities

## Prom '72

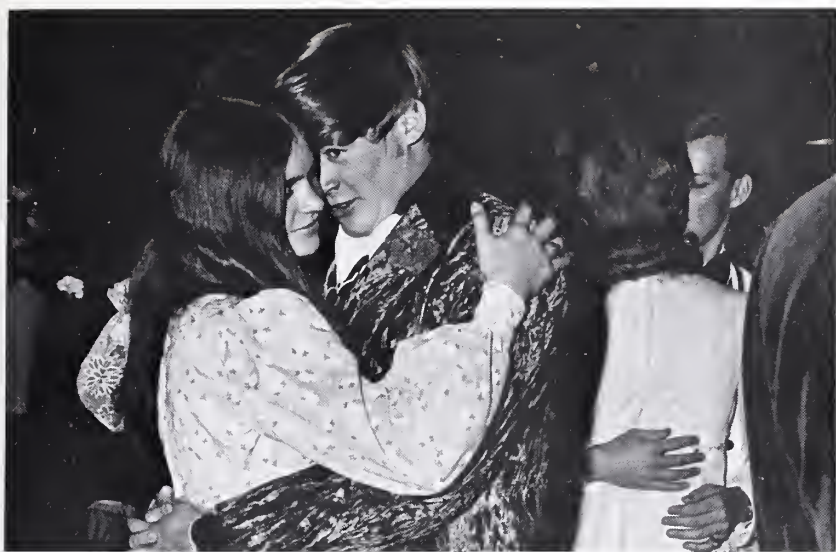

Seniors take part in forming the Senior figure.

A perfect night for this couple.

That's a sharp looking coat you've got on, Earl.

This couple finds a quiet place amidst a crowded gym.

Contestants form a pretty parade for the judges.

## Miss P.H.H.S.

The Miss Patrick Henry High School Contest was held on April 7th, 1972, sponsored by the Cheerleaders.

Twenty-one young girls participated in vying for the title.

After much deliberation by the judges, a decision was reached. Carol Mahanes was crowned Miss P.H.H.S. Eloise Nicholas and Nancy Melton were crowned 1st and 2nd runners-up respectively.

Nancy Melton, 2nd runner up; Carol Mahane, 1972 Miss P.H.H.S.; Anne Harris, 1971 Miss P.H.H.S.; Eloise Nicholas, 1st runner up.

## Homecoming

Owens

This year's Homecoming was held on October 8th.

Maryilyn Minor, who was crowned Queen, was the first Black girl to receive this honor here. Her attendants were Hollis Taylor, Maid of Honor, and Janie Hall, the Senior representative.

Debbie Armistead and Renee Bailes, from the Junior and Sophomore classes respectively, rounded out the Homecoming Court.

# Bangladesh Concert

A group of concerned students and teachers sponsored the Bangladesh Concert.

All proceeds were donated to the Bangladesh Relief Fund to aid the refugees. A total of \$125 was raised.

Several student bands along with Rocking Horse provided the music.

The Rocking Horse Band performs at the concert.

Keyser

Calvin Cecil, Greg Doggett and Joe Creery provides the audience with their own kind of music.

Hold on France, here we come!

Mr. Mott reads one of his poems for his students.

Owens

A group of 23 students left for an 8 day tour of France in April. The trip was sponsored by our French teacher, Mrs. Holt.

Many peculiarities of the French customs took getting used to, like having only 1 bathroom to a floor in the hotel, or eating hot dogs morning, noon and night.

It was an experience none will forget and will long be cherished by all who went.

Mr. Mott spent 4 weeks with several of our English classes, encouraging the students to indulge in their poetic abilities.

He teaches at the Humanity Center at V.C.U.

## Mr. P.H.H.S. Contest

WOW! Dig those bodies.

On Friday, March 3rd, 1972, the third annual Mr. Patrick Henry Contest was held.

Ricky Ivey, alias "Siren Irene," was the lucky winner. Runners-up were Robbie "Buxom" Banton and David "Raquel" Empey.

The beauties were chosen from a field of 19 contestants in a pageant that was enjoyed by all.

Our 1972 Mr. P.H.H.S. — "Siren Irene."

# Human Relations Seminar

Students listen to suggestions from the faculty.

## Sociology Program

Mr. Whitaker introduces his panel.

The Human Relations Seminar was organized in hope to break down the existing barriers between students and teachers and those between the students themselves.

Teachers met with this committee of students, who presented their ideas for improvement in exchange for suggestions from the faculty.

With more student body interest in this type of program, the absolute solution will not be long in achieving.

An assembly on drugs and drug abuse was sponsored by Mr. Whitaker and his sociology classes.

The three on the discussion panel gave an informal introduction to the various drugs teenagers use and their harmful effects.

It's hoped that this type of discussion will make students more aware of the risk they are taking when they play around with drugs.

You wouldn't be looking at your keys would you, Darlene?

## Senior Expressions

My, what pretty teeth ya'll have!

Senior smiles.

Seniors crowd around after their last Senior Assembly.

Team work serves as the foundation of a winning season.

Together, the team must work, giving constructive criticism and that pat on the back, reassuring the other member of your confidence in him.

It's this type of togetherness that forms a team with mutual feelings and goals.

FIRST ROW: Gregory Derricott, Randy Lewis, Barry Banton, Johnny Jones, Argle Haley, David Christoph, Thomas Wise, Carl Harris, Tracy Epps, Herman Harris, Larry Price, Herbert Trivett. THIRD ROW: Darry Edwards, Harold Thompson, Dougie Harris, James Banks, Ellis Harris, Mike Roberts, Paul Chapman, Carroll Taylor, James Thomas, Tony Epps, Hugh Stephens, Paul Harris, Maynard Puryear.

Due to the loss of key players by graduation and being plagued by injuries, the football team finished up with a 2-8 season.

Leading players were Barry Banton, Jimmy Banks, Jimmy Ray, Darry Edwards, and James Thomas.

Barry Banton was the recipient of the Most Valuable Player award.

High scorer, Jerry Johnson, averaged approximately 20 points per game. Other leading scorers were Dennis Folly and Chuck Jackson. Star rebounders were Jimmy Banks and Barry Banton.

In the District Tournament, Patrick Henry defeated rival Lee-Davis in first round play but were eliminated in the Semi-Finals by a loss to Douglas Freeman.

Over half of the team consisted of sophomores and freshmen. They showed improvement in every meet.

Three records were broken this year. Ellis Harris broke the Shot-Put record, David Hamilton, the High Jump and Barry Banton, the Low Hurdles. Barry was also the team's leading scorer.

Every inch counts in the broad jump.

Pole vaulting isn't as easy as it looks.

Barry Banton finishes first, breaking the low hurdle record.

Being a cheerleader requires more than a voice that carries and a surplus of energy. These girls backed up our teams no matter what the score. They cried when we won, they cried when we lost.

Sponsoring the Miss P.H.H.S. Contest and BMOC were a few of their "off sideline" jobs.

Come on guys, all we need is a touchdown.

This year, for the first time, our girls' basketball team has five players instead of the traditional six. All new rules were adopted so that the girls' basketball would be the same as the boys'.

Though the season was not a successful one, each girl gave 100% of herself.

# Girl's Softball

FRONT ROW: Mary Beth Seay, Joyce Schooler, Donna Harris, Bruce Priddy, Brenda Street, Marilyn Corker, Pam Nuckols, Trudy Young, Jo Ellen Brett, Lucy Lancaster. SECOND ROW: Kathy Brice, Linda Street, Martha Carter, Lyndal Howard, Renne Bailes, Emma Lee Mitchell, Suzanne Conyers, Eliza Robinson, Shelia Nelson, Miss Dowdy.

Girls' softball begins in early March and ends in the first part of May.

Our girls achieved the record of three wins, and four losses.

The girls sold all occation cards to the student body as a project to raise money for new uniforms. They reached a profit of 35% over their goal. This means that next year, "Dowdy's Dollies" will be playing in new uniforms.

Renee Bailes chalks up another run for the Patriots.

# Girl's Track

## Insurance: \$10,000 Premium: \$30

College is costly enough without high insurance premiums . . . yet students should be insured. Life of Virginia now offers a way to give students ten thousand dollar coverage, for only thirty dollars a year, with no medical examination. Both full-time college students up to age 27 and high-school seniors who will be in college within six months are eligible. And the insured may convert to permanent insurance at any time the Student Life Plan is in force, without evidence of insurability.
